Following the official guidelines of the International Tennis Federation (ITF), we are delighted to introduce 'tennis 10s: Slower Balls, Smaller Courts, Easy Game'

Using slower balls will help players to develop the most efficient technique and to implement advanced tactics that in most cases could not be performed with a yellow ball on the full court.

5-8 yrs using foam or felt balls played on a smaller court

8-9 yrs orange ball, 50% slower than a yellow ball, played on a slightly smaller court

9-10 yrs green ball 25% slower but played on a full court

JUNIOR ACADEMY:

Our La Manga Club coaches will ensure a fantastic, fun tennis experience that allows young or inexperienced players to learn the skills and tactics of tennis and actually play the game quickly.
